

BRANDTSON SEND US A SIGNAL

• release date **5.18.04**

Can music stand the test of time?

Well, talk to the Brandtson boys and you will soon be a believer. With 12 Full US tours, 2 European and one Asian tour under their belts, and releasing 3 full lengths and 2 EP's – Brandtson is ready for the big time. The Militia Group is so very proud to present “Send Us A Signal” the 4th full length for the Cleveland, OH based band. Brandtson, who was a long time favorite on Deep Elm Records, has decided on a new place to call home, and with that – they have also wrote the record of their

lives. With “Send Us A Signal” you can easily draw comparisons to The Cure, New Order, Depeche Mode but the old fans will still get their Brandtson fix. The boys went back to longtime friend and producer, ED ROSE (Get Up Kids, The Beautiful Mistake, Emery, etc.) and they spent the entire month of January recording. With a new label, a renewed love for writing songs, and a new van, you can be rest assured Brandtson will be in your town soon.
