OVERVIEW

RUFIO, straight out of Rancho Cucamonga, CA are a four piece melodic band with styles ranging from pop punk, to alternative, to emo. The response to **RUFIO** has been overwhelming. the members, Scott-vocals/guitar, Jon- bass/back ups, Clark-lead guitar, Mike-drums, are happy to tell us that they "play these little hole in the wall clubs and 200+ people always show up". **RUFIO's** songs have been rated as high as number two on the mp3 charts in two different categories of pop punk and emo, and at least one of their songs has always remained on the top 40 for over six months now. **UPDATE 1 year later** : Now after having a solid record under their belts - Rufio has established themselves as a huge force in the punk scene. Playing locally (LA, San Diego, San Fransisco and Pheonix) every weekend with the likes of **Thrice, The Ataris, Hot Rod Curcuit, Further Seems Forever, Slick Shoes** and more -Rufio have gained such a rapid growth of their fanbase, did their first headlining show at House Of Blues, Anaheim to a completely sold out crowd. With all the members now graduated from high school, they are free to tour all the time - their first nation wide tour was with Strung Out. Pretty damn good for a band from Rancho Cucamonga.
